The mission of the Arts Council is to nurture and strengthen the **artistic, cultural, and educational** quality of the community and surrounding areas.

Fly Fishin'
by Cynthia Westbrook

What is Arts Alive! Home & Garden Festival?

Arts Alive! Home & Garden Festival is a gathering of businesses from our regional community, Member Organizations of the Arts Council, and local artists. They all come together under one very large roof to provide education on creating a better home, a beautiful garden... and enriching our lives through art. Arts Alive! Home & Garden Festival strives to create a culture of art, to make a vibrant community and an exciting place to build a great life.

Vendors come to this event from Wichita Falls and the surrounding region to present their products and services. Member Organizations explain the services they provide to create a wonderful quality of life. Artists present their talents and accomplishments to show that art is available to our entire community.

This festival thrives on the combined effort of committee members, volunteers, non-profit organizations, and our community entrepreneurs. The Arts Alive! Home & Garden Festival makes it possible to provide our community with youth classes, galleries, camps, and cultural performances: helping our children to create.

Arts Alive! Home & Garden Festival Fast Facts:
